

Welcome to the 2016 International Revolver Championship.

I would like to personally thank our staff for working this match. Working any major match requires sacrifice and long days on your feet. I certainly appreciate their efforts. I would ask you to please take a moment to thank them. A simple thank you goes a long way.

I would like to thank Dave Jenkins, Marc Weir, Jim Lewis, Trent Cherin, Jay Corn for helping set up. These guys helped set up, design stages, run IT, and all the things it takes to put a match together. Also thank you to Melanie Chan and Annette Aysen from ICORE. These ladies were instrumental and assisting me to bring this match to USA.

I would also like to thank you the shooter. We here at Universal Shooting Academy understand and respect that you are using your entertainment dollar to join us for this event. We are excited to have the IRC on the east coast. We plan a challenging and fun match to assist in the promotion of organized revolver shooting.

SHOOTERS BRIEFING

THESE POLICIES ARE JUST AS IMPORTANT AS THE RULES. YOU ARE EXPECTED TO READ AND UNDERSTAND ALL THE CONTENTS OF THIS MATCH PUBLICATION. THIS WILL SERVE AS YOUR SHOOTERS BRIEFING. THERE WILL NOT BE A MEETING ON YOUR ASSIGNED SHOOTING DAY FOR YOU TO NOT ATTEND. YOU SHOULD BE AT YOUR DESIGNATED STAGE AT YOUR DESIGNATED TIME TO BEGIN SHOOTING. HAVE A SAFE AND FUN CHAMPIONSHIP!

COLD RANGE- Firearms will not be handled anywhere on the range except in designated safety areas or under the direct supervision of a staff Range Officer. Safe areas are clearly marked. Handling firearms in parking areas is deemed unsafe gun handling and will result in a DQ.

SAFETY AREAS- Safety areas are located around the range to unbag and holster or unholster and bag guns, and also for dry fire practice and gun repair, etc. No ammunition may be handled in any safe area.

RULES- We will be following the current edition on the ICORE Rules.

SET STEEL & TAPE TARGETS- Competitors are expected to stay together as a squad and are REQUIRED to assist in taping targets, setting and painting steel. This is important to maintain efficiency for the match.

SCHEDULING- Competitors must compete for score according to the published match and squad schedule. A competitor who is not present at the scheduled time and date for any stage may not attempt that stage without the prior approval of the Match Director.

INSPECTION- Stage inspection will be allowed as long as the range is open and there is not a squad competing for score on that stage. You may not activate moving target systems. Basically look but don't touch.

EYE & EAR PROTECTION- All competitors must wear eye and ear protection while on the line. Eye protection is required to be worn by **everyone** while on the range.

COMPETITOR AGREEMENT- By competing in this event, you attest that you

have read, you understand and you agree to comply with the match rules and regulations.

DRAWINGS & DIMENSIONS - Drawings and dimensions of the stage diagrams are approximate and may change due to safety or production considerations. There may be additional no shoots, vision barriers, or other changes. Inspect each stage carefully and listen to the squad briefing.

SHOOTER SERVICES...The Stats officers will be on the range to help with any administrative matters, resolve scoring errors and lost and found.

Spectators...Everyone must wear eye protection while on the range and ear protection is strongly suggested. Climbing on berms is not allowed. Children must be under the direct supervision of a parent. There is a \$1.00 fee for spectators, please check in at the main office.

Vehicles - Cars and trucks are not permitted on the range outside of the parking areas. Golf carts, ATV's, UTV's, etc. are permitted. Range wide speed limit for all vehicles and pedestrians is 10mph. Pedestrians have the right of way at all times. Unless there is a tank, tanks always have the right of way.

Sponsors – Huge thank you to our sponsors. Please take time to review the sponsor list on our webpage. These folks are supporting the sport and have put together a nice prize table for the competitors. Please take time to say thank you to them at the range, or in an email. We here at USA also sponsor other matches and I can say from experience a little thank you goes a long way.

Prize Table – Prize table will be order of finish within Division.

The Buck – Stops with me. I am the Match Director and I am in charge of everything. If something isn't to your liking please bring it to my attention. My goal is to produce a fun, challenging, safe match to determine the best revolver shooter in the world. If there is anything I can do better please let me know during or after the match.
